Enabling Delete on Success option for EDI processing

To enable this option, you need to modify the following activities:

- InboundFileSource
- OutboundFileSource
- InboundFTPSource
- OutBoundFTPSource

Steps to enable Delete on Success **option**:

1. Login with EDISolutionUser.

   Note: Password of EDISolutionUser is ediuser123.
2. From workspace menu expand Design **> Services > Source.**
3. Click **File** link. The Manage File Source page is displayed.
4. Edit *InboundFileSource* activity (see figure below).

5. Enable the ***Delete File on Success*** checkbox.
6. Save this activity.
7. Repeat the above steps for the other following activities:
   - OutboundFileSource
   - InboundFTPSource
   - OutBoundFTPSource
